Founded in 2016, RTD Construction and Services is a state licensed general contractor.

WWW.RTDCONSTRUCTIONSERVICES.COM

RTD is one of the leading woman-owned general licensed contractor in the state of Florida. They provide general construction and construction management.

"Our clients trust us with their projects because of our vast industry knowledge. We deliver the highest quality of services on every project we undertake," Rachel Dailey, President of RTD Construction and Services, Inc.

RTD consistently completes their projects to the client specification and within budget. They offer a wide spectrum of services, including areas others simply avoid. RTD provides their clients with a level of quality control and a peace of mind that is unmatched industry-wide.

ABOUT RACHEL DAILEY

Rachel Dailey is a proud U.S. Navy Veteran and a successful entrepreneur with over 12 years' experience working in both the public and private business sectors.
